

The Ultimate Wedding Checklist for Malaysian Couples

This checklist helps you stay organised from engagement to post-wedding follow-up.

12+ Months Before

- Set your wedding budget
- Draft guest list with both families
- Choose a wedding date (check with Feng Shui master if needed)
- Book ceremony and reception venues
- Hire a wedding planner (if needed)
- Download Thebigdays App to start planning and track RSVPs

8–11 Months Before

- Finalise your wedding theme and concept
- Book photographer and videographer
- Shop for bridal gown and suit
- Book makeup artist and hairstylist
- Research honeymoon destinations
- Create your wedding website and digital RSVP page

5–7 Months Before

- Design and order invitations (digital + print)
- Order signage, favours, and wedding decor
- Book emcee, live band, or entertainment
- Confirm bridal party members
- Apply for marriage registration (ROM)

2–4 Months Before

- Send digital invitations to guests
- Track RSVPs in Thebigdays dashboard
- Schedule your pre-wedding shoot

- Buy wedding rings
- Finalise vendor details and orders

1 Month Before

- Final dress and suit fittings
- Confirm seating arrangement
- Prepare ang bao packets and program
- Print signage, welcome board, and schedule
- Run a rehearsal (if needed)

1 Week Before

- Confirm all vendors and timeline
- Assign a coordinator for the wedding day
- Send final reminders to undecided guests
- Test audio/visual equipment
- Pack for your honeymoon

After the Wedding

- Send thank-you messages
- Leave vendor reviews
- Print your wedding album
- Back up wedding photos and videos
- Keep your wedding website as a memory

Tip: Use Thebigdays App for easy RSVP tracking, website setup, and guest list management.
